

ABOUT THE COMPANY

With over 50 years of experience since 1973, we have been a fully integrated company since 1992. Guided by sustainability and a “green” mindset, we ensure production continuity from start to finish—earning lasting customer satisfaction. Our mission has always been simple: quality in every product and service. Blending traditional craftsmanship with modern technology, we continue to grow with a strong, harmonious team ready to embrace new collaborations.
